

● soft wire ● medium hard wire ● hard wire

Made in GERMANY

KNIPEX

คีมตัดสายไฟ

70 Diagonal Cutters DIN ISO 5749

- the essential cutting tool for versatile use
- high quality material and precise workmanship for long service life
- precision cutting edges additionally induction hardened (cutting edge hardness approx. 62 HRC) for soft and hard wire.
- clean cutting at cutting edge tips ; also in case of thin copper wires
- narrow head style for use in confined areas
- vanadium electric steel, oil-hardened and tempered

Cuts fine wires cleanly over the complete length of the blades

Slim head style and precise cut at blade tip: Advantageous when working in confined areas
